Price increase at Mitsubishi HiTec Paper Europe GmbH

Bielefeld, 06. March 2026

Due to increases in costs, particularly in the areas of pulp, chemicals and freight, Mitsubishi HiTec Paper is increasing prices for all thermal papers. Effective for deliveries as of 1 April 2026, prices for all thermal papers (thermoscript) will increase by 10% worldwide.

Customers will be contacted directly by the Mitsubishi sales team.

Mitsubishi HiTec Paper Europe GmbH is a German subsidiary of Mitsubishi Paper Mills Ltd., Japan, one of the world's leading manufacturers of specialty paper. Mitsubishi HiTec produce high-quality direct thermal and inkjet papers at the tradition-rich location in Bielefeld.

The factory stands out for own base paper production, state-of-the-art production machinery and innovative coating technologies. Through its dense global sales network, Mitsubishi HiTec Paper Europe supplies a full range of specialty papers for many applications and printing technologies – and is a highly capable partner whenever customized coated paper solutions are required.
