Custom-made products are available on request. Please note that such orders must take up full web widths and run length. Pre-collated sets of sheets are available on request. Subject to change without notice.  
**Archivability:** If the paper is stored correctly we guarantee a period of 5 years for the paper's ability to produce a copy and 10 years for durability of copies produced.

As a responsible manufacturer, we strive to produce and process our products in the most environmentally friendly way and to the highest standards of quality. We take our social responsibility seriously and are active in various environmental associations and organizations. Complying with and conforming to rules and regulations goes without saying. Social commitment is an important part of our corporate culture.
