

Standard Sheets

Sizes | Sheets per ream | Sheets per pallet | Pallet dimensions | Height of loaded pallet

All sheets are available as long grain (SB) or short grain (BB), as well as precollated or bulk packed, on pallets. Customized sizes on request.
Any exceptions concerning quantity, the number of sheets per pallet or special pallets (e.g. with longitudinal boards) must be agreed upon before order placement.
Sizes, pallet and loaded pallet dimensions (approx.) are expressed in cm.
